CORPORATE COMMUNITY SPONSORSHIPS FOR LOCAL BUSINESSES

By making a \$100 annual tax-deductible contribution, your company's marketing materials will be prominently displayed in our Corporate Community Sponsor section at the library. Your company information would also be on the library's website, given to new Library Card patrons, and periodically highlighted in the Friends newsletter.

From a business standpoint, involvement with the library is an investment in your company and in your community. Imagine having over 5,000 patrons a month viewing your marketing materials. What a great return on investment!
