

BEACHES

Clearwater Beach- Looking for that touristy resort feel when visiting Florida? Look no further than Clearwater Beach. The beaches are pristine, the water is clear, and there is plenty of sunshine for everyone to enjoy. Check out the official site by clicking on the hyperlink for more info on ongoing festivities and fun!

Sunset Beach- Located on Florida's Treasure Island, which is a small barrier reef that's about a mile long and ¼ a mile wide. While quiet from the end of April to the next March, this place can turn wild once Spring Break hits. Despite this, it's the destination to be for a beautiful Florida sunset.

St. Pete Beach- Just underneath Treasure Island rests this wide expanse of pristine beaches. Not to be mistaken for the tourist attraction of St. Petersburg, this awesome city boasts a vibrant collection of communities. Hop on the St. Pete trolleys to see all there is to see! To plan your day at St. Pete Beach, check out their official by clicking on the hyperlink.

Honeymoon Island- A state park located on an island just off the coast of Palm Harbor, this is a place to be. With three miles of pristine beaches, and an Osprey trail where eagles, osprey, and owls can be observed in their natural habitat, it's a lovely stop for the nature enthusiast.
